## swaddling made simple

### Step 1

Place the swaddle on a flat surface and fold into a triangle, placing baby in the center with shoulders just below the fold.

### Step 2

Fold one side of the swaddle across baby's arm and chest, tucking the fabric under baby's free arm and back.

### Step 3

Fold the bottom of the swaddle over baby's feet, tucking the point of the fabric into the top of the swaddle.

### Step 4

Fold the remaining side of the swaddle over baby's free arm and chest, tucking the fabric under baby to secure.
