Baby's Only is hét complete lifestyle merk voor de baby en babykamer.

De trendy chique babyaccessoires van Baby's Only zijn on-trend musthaves en stijlvolle basics van de beste kwaliteit. Kenmerkend is de breedte en diepte van het assortiment: van de klassiek gebreide collecties tot zachte rib corduroy en stijlvolle prints, Baby's Only heeft het. Combineer eindeloos met de diverse Baby's Only producten en creëer zo een persoonlijke stijl.

Dutch Design.

Van ontwerp tot in de winkel, onze producten zijn 100% Nederlands met een eigen, unieke stijl.

Duurzaam.

Baby's Only is actief in haar ontwikkeling en duurzaamheid. De productie footprint houden wij zo dicht mogelijk bij huis. Zowel de babykleding als een groot deel baby accessoires is gemaakt van 100% organisch katoen. De gehele collectie wordt steeds verder uitgebreid met trendy duurzame artikelen.

De Baby's Only collectie is wereldwijd verkrijgbaar in meer dan 800 babywinkels, zowel binnen als buiten Europa. Daarmee is het uitgegroeid tot een van de grootste babymerken. Wij volgen geen trends, wij creëren ze. Tegelijkertijd houden wij vast aan onze basis: oog voor detail, duurzaamheid, kwaliteit, gebruiksvriendelijkheid en de kennis en vaardigheid van stoffen en breitechnieken. Dat maakt de collectie van Baby's Only gevarieerd, uniek en tijdloos. Doe inspiratie op en bekijk onze collectie op www.babysonly.nl.

EN

Baby's Only is the complete lifestyle brand for the baby and the nursery.

The trendy chic baby accessories of Baby's Only are on-trend must haves and stylish basics of the best quality. Characteristic is the width and depth of the assortment: from the classic knitted collections to soft rib corduroy and stylish prints, Baby's Only has it all. Combine endlessly with the various Baby's Only products and create a personal style.

Dutch Design.

From design to shop, our products are 100% Dutch with their own unique style.

Sustainable.

Baby's Only is active in its development and sustainability. We keep the production footprint as close to home as possible. Both the baby clothes and a large part of the baby accessories are made of 100% organic cotton. The entire collection is continuously expanded with trendy sustainable items.

The Baby's Only collection is available in more than 800 baby shops worldwide, both within and outside of Europe. This makes it one of the biggest baby brands. We do not follow trends, we create them. At the same time, we stick to our basics: eye for detail, sustainability, quality, user-friendliness and the knowledge and skill of fabrics and knitting techniques. That makes the collection of Baby's Only varied, unique and timeless. Get inspired and have a look at our collection at www.babysonly.eu.

DE

Baby's Only hat eine komplettes Baby- und Lifestyle-Ausstattung im Sortiment.

Angesagte Musthaves und stylische Basics in bester Qualität – das sind die modernen schicken Baby-Accessoires von Baby's Only. Die Kollektionen sind sehr vielseitig: von den klassischen Strickkollektionen über weichen Rippcord bis hin zu stylischen Prints - bei Baby's Only finden Sie alles. Kombinieren Sie die verschiedenen Baby's Only Produkten und kreieren Sie Ihren persönlichen Stil.

Dutch Design.

Vom Design bis zur Ladentheke: unsere Produkte sind zu 100% niederländisch und haben ihren eigenen einzigartigen Stil.

Nachhaltig.

Baby's Only setzt sich aktiv für seine Entwicklung und Nachhaltigkeit ein. Es ist uns wichtig, die Spuren der Produktionsvorgänge möglichst gering zu halten. Sowohl die Babykleidung als auch ein Großteil der Babyaccessoires bestehen aus 100% Bio-Baumwolle. Die gesamte Kollektion wird ständig um trendige, nachhaltige Artikel erweitert.

Die Kollektion von Baby's Only ist weltweit in über 800 Babygeschäften erhältlich, sowohl innerhalb als auch außerhalb Europas und damit gehört das Unternehmen zu den größten Babymarken. Wir folgen keinen Trends, wir schaffen sie. Doch auch unsere Grundsätze

liegen uns weiterhin am Herzen: der Blick fürs Detail, Nachhaltigkeit, Qualität, Benutzerkomfort und die Expertise auf dem Gebiet von Stoffen und Stricktechniken. Dadurch sind die Kollektionen von Baby's Only divers, einzigartig und zeitlos. Werfen Sie unter www.babysonly.de einen Blick auf unser Sortiment und lassen Sie sich inspirieren

FR

Baby's Only est la marque de lifestyle complète pour bébé et chambre d'enfant.

Les accessoires pour bébé chic et tendance de Baby's Only sont des incontournables de haute qualité. La diversité de la gamme se caractérise par des collections classiques en tricot, des velours côtelé doux et des imprimés très tendance : Baby's Only a tout pour plaire. Combinez à l'infini avec les différents articles Baby's Only et créez votre style.

Design néerlandais.

De la conception à la boutique, nos produits sont 100 % néerlandais et présentent un style unique.

Durable.

Baby's Only participe activement à son développement et à la durabilité. Nous maintenons l'empreinte de la production à proximité de chez nous, autant que possible. Les vêtements pour bébés et une grande partie des accessoires pour bébés sont fabriqués en coton 100 % biologique. L'ensemble de la collection est régulièrement complété par des articles durables très en vogue.

La collection Baby's Only est disponible dans plus de 800 magasins de puériculture dans le monde, aussi bien en Europe qu'ailleurs. Ce qui fait d'elle l'une des plus grandes marques de bébés. Nous ne suivons pas les tendances, nous les créons. Parallèlement, nous respectons nos principes de base : le sens du détail, la durabilité, la qualité, la facilité d'utilisation et la maîtrise des tissus et des techniques de tricotage. La collection de Baby's Only est ainsi variée, unique et intemporelle. Laissez-vous inspirer en découvrant notre collection sur www.babysonly.fr.

TOG WAARDE

Alle dekentjes, slaapzakken en dekbedovertrekken van Baby's Only zijn getest op TOG-waarde. Dit gebeurt door een onafhankelijk instituut.

De TOG-waarde (Thermal Overall Grade) is een aanduiding voor de isolatiewaarde van textiel. Hoe hoger de TOG-waarde, hoe warmer en meer het materiaal isoleert. Het is belangrijk om het beddengoed aan te passen aan de omgevingstemperatuur. Ook verhoging en koorts vergen aanpassing van baby's kleding en beddengoed. De TOG-waarde is slechts een hulpmiddel. Belangrijk is om het comfort goed te blijven controleren aan nek en voetjes. De huid mag niet klam of koud aanvoelen. Veilige TOG-waarden, gemeten bij kamertemperatuur, liggen tussen de 0 en 4.0.

Omgevingstemperatuur:

< 16°C
16°C - 20°C
20°C - 22°C
23°C - 24°C
> 24°C

max. TOG:

4.0 TOG
3.0 TOG
2.0 TOG
1.5 TOG
0.5 TOG

Let wel op, hoe meer laagjes, hoe beter het isoleert, dus hoe warmer.

TOG VALUE

All blankets, sleeping bags and duvet covers of Baby's Only have been tested for TOG value. This is done by an independent institute.

The TOG value (Thermal Overall Grade) is an indication for the insulation value of textile. The higher the TOG value, the warmer and the more insulating the material. It is important to adapt the bedding to the ambient temperature. An increased temperature and fever also require adaptation of baby's clothes and bedding. The TOG value is just an aid. What's important is to continue checking the level of comfort at the neck and feet: the skin may not feel clammy or cold. Safe TOG values, measured at room temperature, are between 0 and 4.0.

Ambient temperature:

< 16°C
16°C - 20°C
20°C - 22°C
23°C - 24°C
> 24°C

max. TOG:

4.0 TOG
3.0 TOG
2.0 TOG
1.5 TOG
0.5 TOG

Please note: the more layers, the more insulating, i.e. the warmer.

TOG WERT

Der TOG-Wert (Thermal Overall Grade) sämtlicher Decken, Schlafsäcke und Bettbezüge von Baby's Only wurde von einem unabhängigen Institut getestet.

Bei diesem Wert handelt es sich um die Bezeichnung des Isolationswerts von Textilien. Je höher der TOG-Wert, desto stärker sind die wärmenden und isolierenden Eigenschaften des Materials. Es ist wichtig, Bettwäsche zu wählen, die zur Umgebungstemperatur passt. Auch im Falle von erhöhter Temperatur oder Fieber gilt es, die Kleidung und die Bettwäsche entsprechend abzustimmen. Der TOG-Wert stellt hierbei nur ein Hilfsmittel dar, es ist wichtig, im Nacken und an den Füßen zu überprüfen, ob der Wärmegrad ausreichend ist. Die Haut darf nicht kalt oder klamm sein. Bei Zimmertemperatur sollte der TOG-Wert zwischen 0 und 4.0 liegen.

Umgebungstemperatur:

< 16°C
16°C bis 20°C
20°C bis 22°C
23°C bis 24°C
> 24°C

max. TOG:

4.0 TOG
3.0 TOG
2.0 TOG
1.5 TOG
0.5 TOG

Achtung: Je mehr Schichten, desto besser die Isolation und desto wärmer.

VALEUR TOG

Tous les draps, gigoteuses et housses de couette de Baby's Only ont été testés pour déterminer leur valeur TOG. Cette opération est effectuée par un institut indépendant.

La valeur TOG (Thermal Overall Grade) indique la capacité thermique d'un vêtement. Plus la valeur TOG est élevée, plus le matériau est chaud et isolant. Il est important d'ajuster la literie à la température ambiante. La fièvre et la montée en température nécessitent aussi un ajustement des vêtements et de la literie du bébé. La valeur TOG n'est qu'un outil. Il est important de surveiller de près le confort du cou et des pieds ; la peau ne doit pas être moite ou froide. Les valeurs TOG sûres, mesurées à température ambiante, se situent entre 0 et 4,0.

Température ambiante :

< 16°C
16°C - 20°C
20°C - 22°C
23°C - 24°C
> 24°C

TOG max:

4,0 TOG
3,0 TOG
2,0 TOG
1,5 TOG
0,5 TOG

Veillez noter que plus il y a de couches, mieux c'est isolant, donc plus c'est chaud.
