BAMBOO MUSLIN BLANKETS

A soft and lightweight blanket that is wonderfully smooth on your baby's sensitive skin. Bamboo fibres has many great qualities, such as being very moisture absorbing and breathable, as well as having great temperature control capabilities. The double layers of classic Muslin weave enhance these abilities further and creates a blanket that gets softer with each wash. This versatile blanket can also be used as nursing cover, a portable crib sheet and more.

Size: 80 x 80 cm
Material: 50% Bamboo, 50% OEKO-TEX® certified Cotton
Care: 30°C machine wash
Pcs/Pack: 3

Elodie

SOFT COTTON BLANKETS

This soft blanket is made with double layers of crinkled cotton that creates a warming yet airy feel. Young children will love the lightly structured surface as it gives them tactile stimulation. The frayed edges are another popular feature for little baby fingers to explore. A versatile blanket that just keeps getting softer with each wash. Use in the crib, the cot, the stroller, or where and when ever something snug and secure is needed.

Size: 75x100 cm
Material: 100% Cotton
Care: 40°C machine wash

CELLULAR BLANKETS

Cellular blankets are ideal for tiny new family members. The small holes in the fabric provide both safety features and make it soft and easy to drape around little bodies. The holes allow for a comfortable flow of air. Due to the breathability of the material, these blankets are also easy to layer and combine with other blankets when needed, depending on the surrounding temperature. It can also work perfectly as a sun or insect screen on the stroller as the holes allow for air circulation.
